.... WITH SPECIALIZATIONS IN OOP AND GRAPHICAL SOFTWARE ENGINEERING.
>DISASTER RECOVERY
OK, YOU'RE HIRED.
JUST BY LOOKING AT MY RESUME?
I'M TIRED OF EVERYTHING BEING SO... 'INSIPID'.
I WANT SOMETHING EXOTIC....
....AND YOU FIT THE BILL.
MENU

HERE'S THE DEAL.
R&D SAID I COULDN'T BE LEFT ALONE WITH THEIR WORK.
AND THIS INVOLVES ME HOW?
WELL, ONE DROP OF SERIES 47 WAS AMAZING.
I WANTED TO SEE WHAT A WHOLE VIAL COULD DO.
SO I HIRED YOU AND POURED A VIAL INTO OUR COFFEES SO....
WAIT.... WHAT DID YOU DRUG ME WITH?!
THAT'S ABOUT AS RECKLESS AS...
SHHH.
YOU'RE NOT DRUGGED.
YOU CAN JUST HAVE WHATEVER YOU WANT!
COME ON...
....IF YOU COULD HAVE ANYTHING....

INTERESTING.
LITTLE KITTY WANTS TO BE...
MMMM. YES.
THAT'S THE KIND OF EXOTIC LOOK WE'RE AFTER!

COME ON, LITTLE CAT!
LOOK AT HOW WONDERFUL THIS STUFF CAN BE IF YOU JUST LET GO!
YOU COULD *TOTALLY* BE 2500 TONS OF AWESOME!

BIGGER!
BIGGER!
WE NEED THIS ON SOCIAL MEDIA!

OK, THIS IS AMAZING.
THE FIRST DROP DEFINATELY WAS!
WAIT. WHAT?!
COME ON, KITTEN.
SHOW ME WHAT'S INSIDE.

YES!
WE CAN BE SO MUCH BIGGER.
THINK ABOUT IT; JUST LOOMING OVER EVERYTHING!

WHAT'S THAT SAYING?
"THERE ARE THINGS YOU NEED TO DO FOR YOUR JOB THAT YOU MIGHT NOT ENJOY"
IT'S MY JOB AS CEO TO MAKE *SURE* YOU ENJOY THOSE THINGS!

MMMM.
THIS TIME THE SIDE EFFECTS FEEL...
....DIFFERENT.

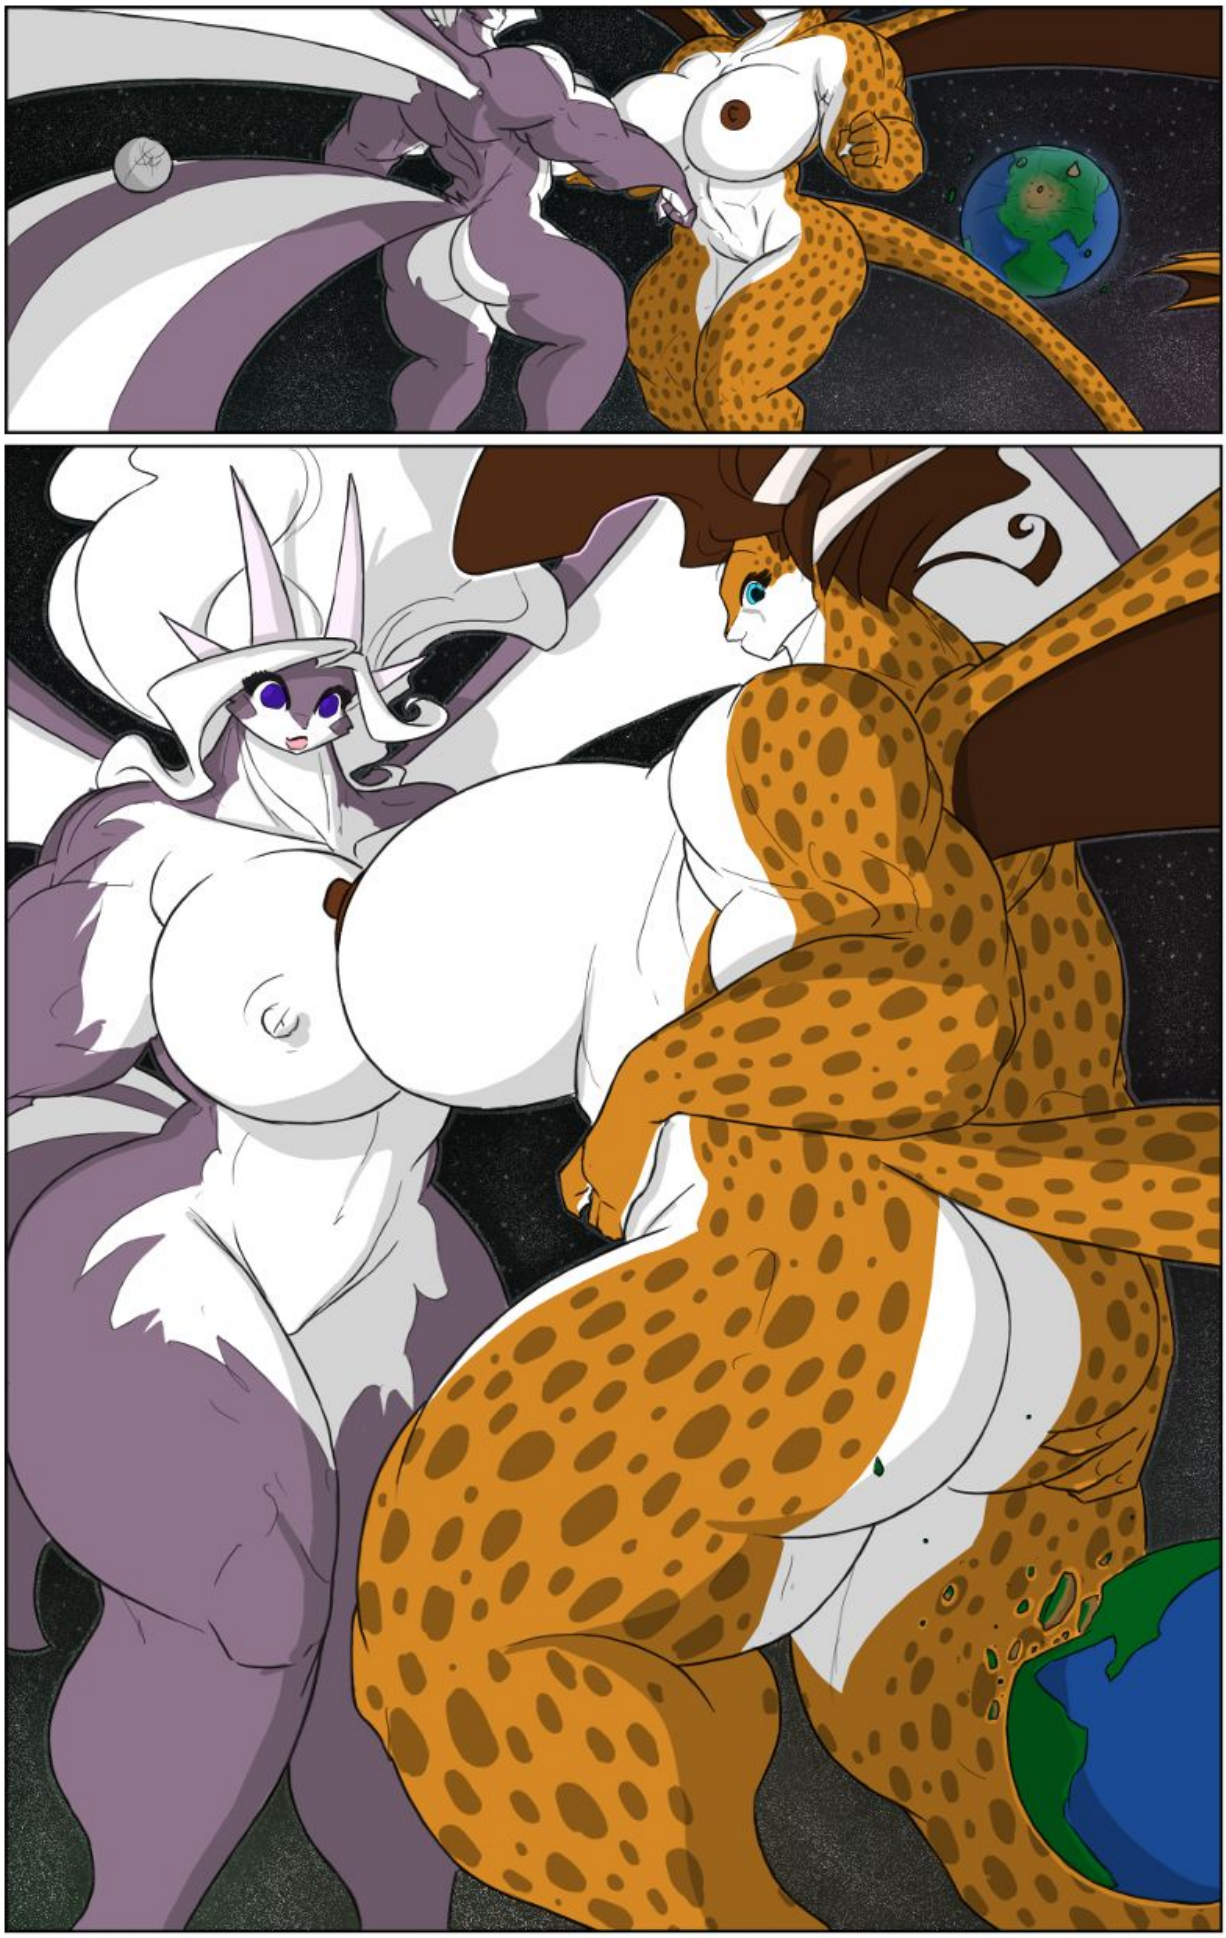
HMMMM!
WHEN A SINGLE BATCH IS TAKEN IN PAIRS, IT CREATES VERY INTERESTING SIDE EFFECTS.

THOUGH, I DON'T GET IT.
WHY ARE YOU FIGHTING IT?
LOOK AT WHAT *I* GOT FROM *YOU*.
DON'T *YOU* WANT SOME OF *THIS*?

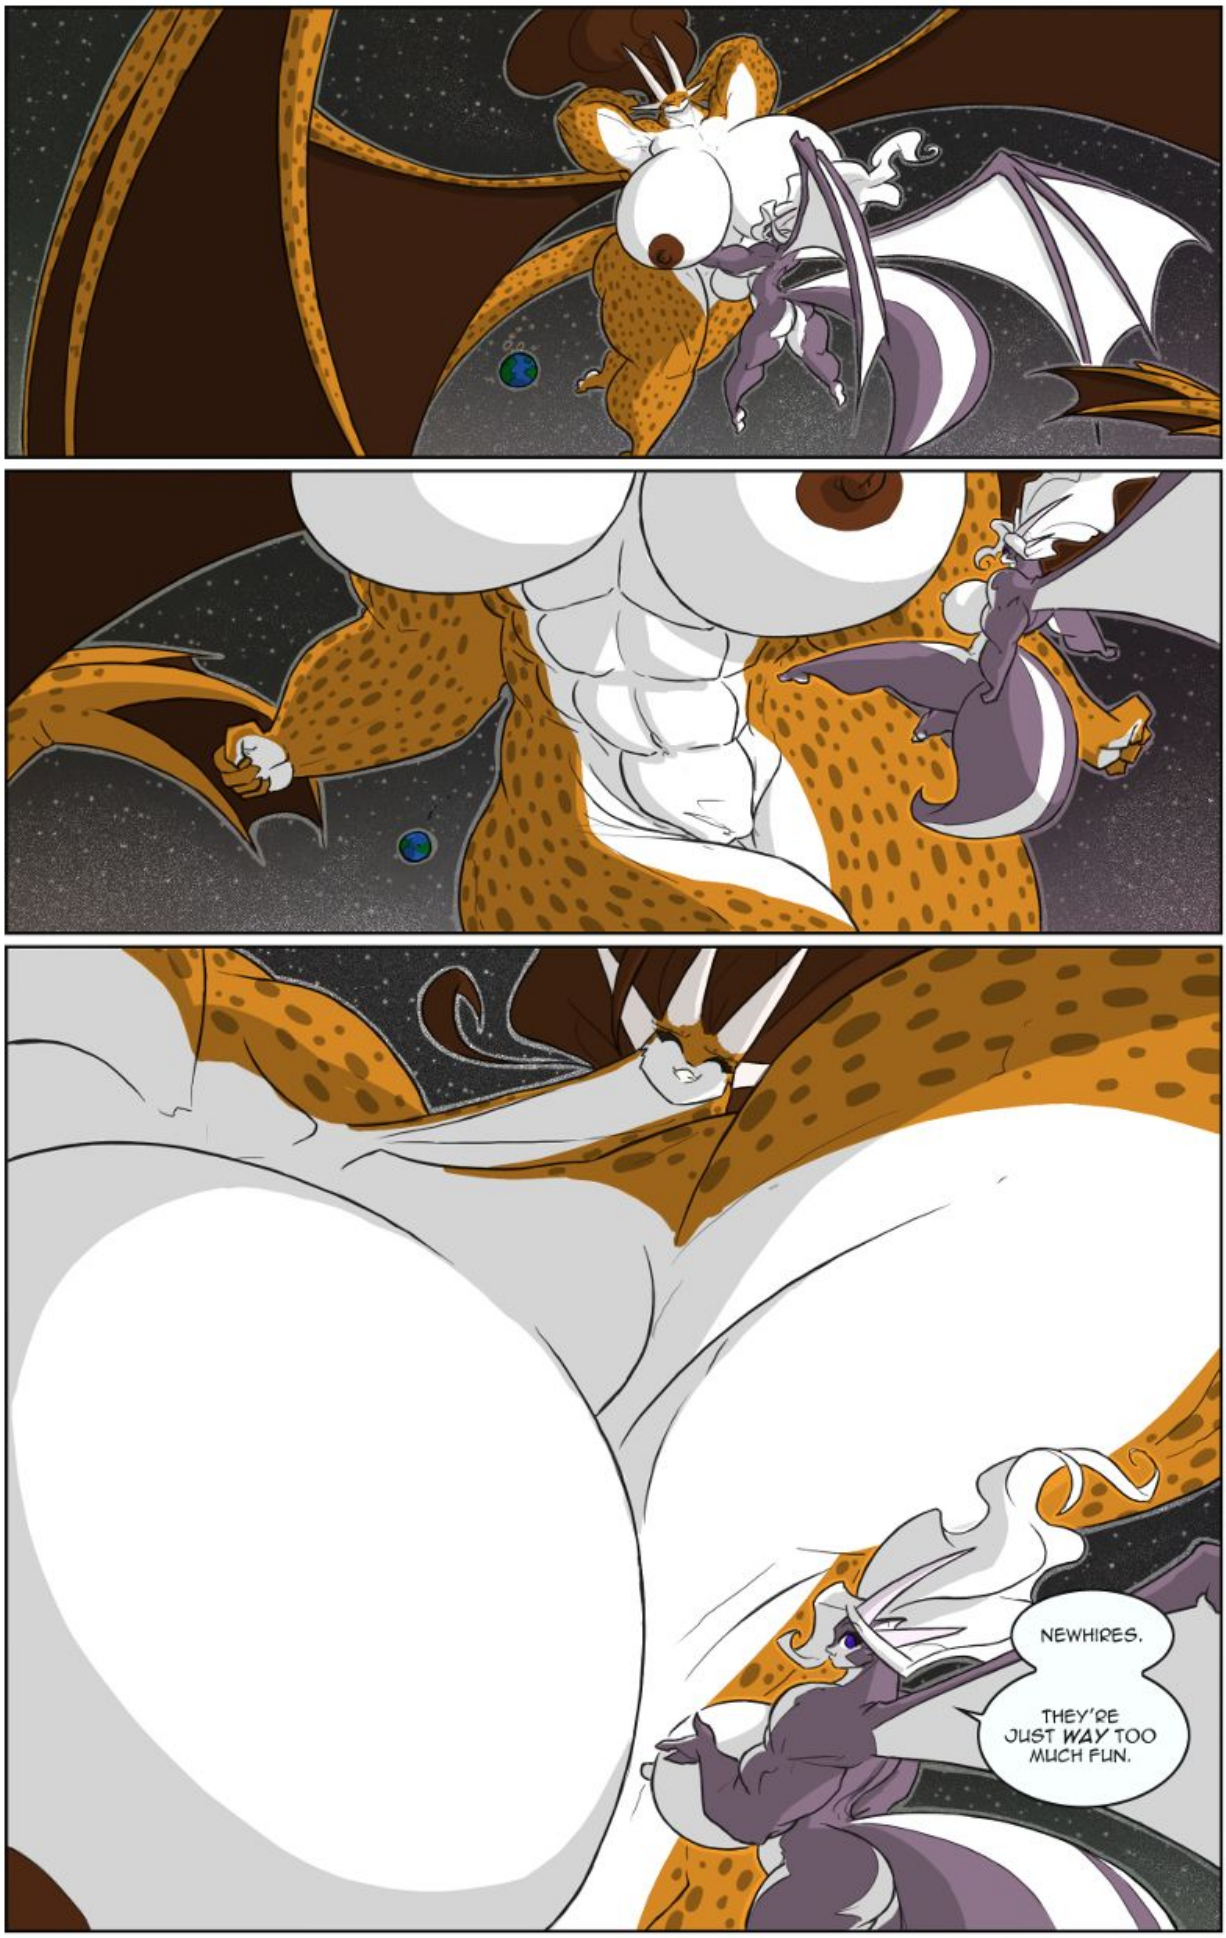
MMM, TYPICAL OF A RUNNER I SUPPOSE.
BUT WHERE'S THE INHERITANCE, KITTEN?

I THINK...
....IT'S....
....RIGHT....
....HERE.

YES, KITTEN.
GO FOR THE EXCESS.
THERE'S SO MANY GRAND THINGS WE CAN DO.
AS LONG AS YOU DON'T BREAK EVERY-THING FIRST.



UH.... TERRAFORMING?
MAYBE ASTEROID MINING AND PLANET CRACKING?
SO, THE TEST: DISASTER RECOVERY PLAN.
GO!
EXCELLENT!
PERFECT FOR THE WINDOW OFFICE.
SO, YOU ACCEPT MY OFFER?
ONCE YOUR AFTER-GROWTHS FROM THE TYPICAL SIDE-EFFECTS ARE OUT OF THE WAY AND WE GET BACK TO NORMAL, WE'LL PUT YOUR PLAN INTO ACTION, DEAR.
"AFTER-GROWTHS"?



NEWHIRES.
THEY'RE JUST WAY TOO MUCH FUN.

NOW, TO BUSINESS!
